

OPEN UP laboratories

We invite you to participate in the **all-inclusive laboratories** of our European project **Open Up** that are **free** and **open** to everyone!

The laboratories will focus on the practical training of participants on the following topics:

- **Performance**
- **Industrial Design**
- **Visual arts (Printmaking: Silkscreen & Photoetching)**

All participants will also benefit from a free workshop on the business development of their projects and the enhancement of their entrepreneurial skills to be able to commercialise their creative work successfully and sustain their work following the laboratories.

Participants will enter a European network of artists and professional trainers and will have the opportunity to make connections in Cyprus and abroad.

All participants will receive a certificate of participation at no cost. The project is co-funded by the *Creative Europe's Culture sub-programme* of the European Union and implemented in 7 European countries: Cyprus, France, Greece, Sweden, Finland, Portugal and Spain.

This initiative has been developed to address the under-representation within the Arts, maximise diversity and reinforce the social and cultural integration of people through the arts.
